There shall be held in the City of Dunes, regular elections for nominating and electing candidates for its municipal offices on a ballot separate and distinct from the State and County ballot, at the biennial nominating and general elections; at which time and on which City ballots, all initiative and referendum and other matters submitted to the electors of said City at such election shall also be voted upon, and such City ballots shall be received by the judges and clerks of election and deposited in a separate ballot box to be marked "City Ballots." Immediately after the canvass is completed the Recorder shall make and sign a certificate of election of each person elected and deliver the certificate to him within one day after the canvass. A certificate so made and delivered shall be prima facie evidence of the truth of the statements contained in it, except that the Council shall be the final judge of the qualifications and election of its own members, subject, however, to review by any Court of competent jurisdiction. AMMENDMENT TO ORDNANCE # 2 PPT INC THE CREATION
OF THE GOVERNMENT OF THE CITY OF DUNES.

There are 15 Sections covering the regulations by which the council is formed, terms of office and manner of conducting elections, however, I find nothing regulating the conduct of council meetings. In keeping with our desire to keep the residents informed it is my feeling that any business brought before the council should be put in writing and in the hands of the City Recorder on or before the fifteenth (15th) day of the month preceding the regular council meeting. The City Recorder would cause to have published via the local newspapers the scheduled agenda not less than seven (7) days before said council meeting.

This proposed ammendment is not to be construed as being prohibitive to persons being encouraged to bring business before the council without prior notice; however, such business requiring a decision of the council would automatically be tabled until the next #6# regular council meeting with the City Recorder putting said business in the published agenda. If time is of the essence a special session will be called with the City Recorder having caused publication via the local newspapers of said business to be conducted prior to this special session.
