

ORDINANCE NUMBER 120

Ordinance Amending Ordinance No. 74, which amended Section 5-II-W of Ordinance No. 50, Regulating Erection and Repair of Signs, and Declaring an Emergency. (This Ordinance exempts certain limited categories of signs from the sign permit process.)

WHEREAS, it has come to the attention of the City of Dunes City, that certain commercial businesses in Dunes City get certain nationally recognized "rating" signs, and

WHEREAS, certain business people have approached the City and requested permission to attach these "rating" signs to existing signs, and

WHEREAS, the impact of most rating signs is minimal, and the permit expense is substantial, and

WHEREAS, there is no reason not to immediately allow merchants this right, and this can most expeditiously be done by declaring an emergency.

THEREFORE the City of Dunes does ordain and amend Ordinance No. 74 and Ordinance No. 50 as follows:

There shall be added to Ordinance No. 74 a section 4 which will read as follows:

SECTION 4. Exemptions.

Operators of commercial establishments are allowed one (1) rating sign issued by a nationally recognized rating organization for campgrounds, restaurants, or motels, per establishment, in addition to its existing signs, and may attach said rating signs to the existing signs without applying for additional sign permits. However, the addition of the exempt sign which, with the original sign shall be considered one sign, must not exceed the existing sign limitations specified in the zoning ordinance and sign ordinance regarding size-total sign size, color, height, prohibited signs, etc.

An emergency is declared to exist and this ordinance is of immediate necessity to allow merchants this privilege in time for the tourist season and to insure the peace, health, and safety of the city. This ordinance shall be in full force and effect immediately after its passage and approval by the mayor.
