

ORDINANCE NO. 121

AN ORDINANCE AMENDING ORDINANCE NUMBER 106, REGULATING THE USE OF CITY STREETS.

Dunes City Ordinance No. 106 is amended by deleting the word "not" from line three of subsection (2) of Section 5 Permits for Road Construction and Excavation and by adding additional language in a new subsection (3).

THEREFORE, the City of Dunes City does ordain and amend subsection (2) of Section 5 Permits for Road Construction and Excavation to read as follows with the addition of subsection (3):

(2) If excavation is to be undertaken in conjunction with another project that requires a city building permit, the applicant is required to obtain the excavation permit required by this section. Noncompliance with this ordinance shall be grounds for denial or suspension of the other permit issued by the City.

(3) The applicant's licensed contractor must hold a surety bond in the amount of \$1,000 or a bond must be posted in the amount of \$1,000. Said bond shall remain in effect for a period of one (1) year. The bond shall be for the purpose of ensuring that the street is restored to a level surface and remains level for a period of one (1) year. The City will give the applicant notice of any violations and a ten-day opportunity to repair the defect. If the applicant does not correct the deficiency within ten (10) days, or within a longer time period if allowed by the City, the City will then be entitled to repair the street and move against the bond.
